VII.Questions and Motions

VIII. Adjournment

III. Matters to Be Reported

1. 2020 Standalone Business Condition Report

In 2020, no cases were completed and accounted for the Company. The main income source of the Company was the rental income of assets and individual case housing income of Reading Green Life. Annual consolidated operating income is NT\$ 87,376,799, and the loss per share is NT\$0.32. The Urban Green, completely sold out in 2017, started construction in February 2010 and is expected to be accounted for in the fourth quarter of 2022. Wuchang Street-Central One, completely sold out, started construction in March 2010 and is expected to be accounted for in the first quarter of 2023. The joint construction of Xin Bi Section, located on Taoyuan Metro A10, is planned to start in April 2021, and is expected to be accounted for in the first quarter of 2023. The joint construction of Le Jie Section case A, located in Taoyuan Metro A7, is planned to start in April 2021, and is expected to be accounted for in the third quarter of 2023. The self-built construction of Xin Zhan Section, located in Shalu Station in Taichung, is planned to start in the fourth quarter of 2021, and expects to be accounted for in the third quarter of 2023. Qing Pu Section and Taoyuan Metro A7 are expected to be under planning in the second quarter of 2021. In addition, the urban renewal case located on Huanisheng Section was submitted in April 2020, and was submitted again by self-adjustment in March 2021. The urban renewal case located on Taiyuan Road, by Huachien Development Co., Ltd. was submitted in June 2020. Both of the two cases adopted renewal plans and right transfer was submitted for reviewing. Besides continuing developing appropriate lands in Greater Taipei, the Company is ambitious in developing lands in the metropolitan aggressively.

Thank you for your support.

The Company's 2020 business condition and 2021 business plan are as follows:

A. 2020 Business Report

C. Budget implementation condition

According to Regulations Governing the Publication of Financial Forecasts of Public Companies, the company doesn't need to publish its 2020 financial forecast.

D. Financial Revenue and expenditure and Profitability Analysis

Parent company

Item		2020	2019
Financial	Debt to assets ratio	19.69	25.34
Structure Long-term funds to property, plant and equipment ratio		10,776.19	5,440.05
	Current ratio	479.14	355.44
Solvency	Quick ratio	139.32	44.62
%	Times interest earned ratio (times)	(5.63)	(4.26)
Profitability	Return on Assets	(1.45)	(1.49)
%	Return on Equity	(1.94)	(2.16)

Ratio of pre-tax net profit to paid-in capital	(1.70)	(2.54)
Net profit (loss) rate	(112.59)	(2,238.38)
Earnings per share (NT\$)	(0.32)	(0.25)

This year's operating income is higher than last year, but operating costs and other losses are higher than last year as well. Therefore, earnings per share is lower.

Consolidated

Item		2020	2019
Financial	Debt to assets ratio	25.84	34.53
structure %	Long-term funds to property, plant and equipment ratio	5,438.74	2,853.47
	Current ratio	379.90	282.31
Solvency	Quick ratio	94.45	28.30
	Times interest earned ratio (times)	(2.73)	(1.77)
	Return on Assets	(1.18)	(1.11)
	Return on equity	(1.96)	(2.19)
Profitability %	Ratio of pre-tax net profit to paid-in capital	(1.82)	(2.73)
	Net profit (loss) rate	(109.49)	(740.35)
	Earnings per share (NT\$)	(0.32)	(0.25)

This year's operating income is higher than last year, but operating costs and other lossed are higher than last year as well. Therefore, earnings per share is lower.

E. Overview of the 2020 Business Plans

A. Business Strategy

From land development to design and construction, the Company has constantly been upholding the spirit of "cultivating spaces and caring for earth", and has always been pursuing the goals of "providing high-quality and diversified construction and living spaces, caring about the social environment, and helping to create a gorgeously neat dwelling and urban life landscape". We also take an honest and responsible attitude to meet the public's and house buyers' needs toward the living environment and space. In order to enhance our competitive and operating advantages, we strive to achieve the following four goals:

- (1) To enhance corporate governance, and strengthen the operation structure
- (2) To participate in public construction, and develop high-quality land
- (3) To grasp market trends and formulate strategies and responding measures accordingly.
- (4) To effectively integrate resources and improve competitiveness.

B. Business Goals

This year, the Company will focus on:

- (1) Applying for the six building permits for "Taoyuan Xi Bi Section", "Taoyuan Qing XiSection", "Taoyuan Le Je Section", "Xi Zhan Section Taichung Shalu Station and planning for commissioning and sales onsite.
- (2) Committing on the construction of the projects "The Urban Green' and "Wuchang Street-Central One" that are completely sold out.

C. Important Production and Sale Policies

Production Strategies:

Our Company is committed to the construction of high-quality and intelligent houses and business buildings.

The production strategies are:

- (1) Operating areas: The prime districts of Greater Taiwan.
- (2) Development methods:
 - a. We are going to keep developing and rolling out new projects of the lands with well-developed infrastructure in Greater Taiwan by means of joint construction or purchase.
 - b. During the period that the government is striving to promote urban renewals, we will actively participate in the lucrative urban renewal and reconstruction cases of perilous or old buildings in

Greater Taipei.

(3) Product type: high-tech business buildings and high-class residential buildings, shops.

Sale strategies:

- i. Commissioned sale: Choosing excellent sales agencies to cooperate with, so as to allow the Company to focus on development, planning and construction.
- ii. Sale by the Company itself:
 Regardless of cooperating with distributors, agencies, or selling on our own, in the circumstances of buyer's market, we will actively take the initiative to take the lead and strive to make a satisfactory deal.
- F. Company's Future Development Strategies, and the Influences of External Competitive Circumstances, Regulation Circumstances and Overall Operation Circumstances:
 - A. The acquisition and integration of the lands in Greater Taipei areas have become increasingly difficult, the costs of lands and construction have also risen, and the lack of labor, all of which have obstructed the promotion and development of the construction projects.
 - B. The government has indeed been vigorously promoting urban renewal cases, but our development schedules have always been delayed for lack of supporting regulations.
 - C. The government has successively implemented such policies as "actual-price registration 2.0", "raising the standard housing price ", "restricting mortgage" and "combining real-estate taxes on house and land". Although it narrows down the development of construction investors, it brings a positive impact on industrial development and trading order.
 - D. The Covid-19 severely affected the economy in almost all countries in 2020. Many index suffered from economic slump. However, the Federal Reserve System of Governors in the United States promotes unlimited QE. While countries are eager to decrease interest rates, the performance of the stock market and housing market are outstanding. The expectation on economic growth is at 2.38% in Taiwan. Taiwan, one of the few to have positive economic growth, is only 0.58% less compared to 2.96% in 2019. Even so, Taiwan still has declining economic growth for three consecutive years in 2020. It is expected that economic growth will be back to 4.3% in 2021. Although the prospect seems positive, the industry is wary about the government's interference as the policy is going to cool off the housing market. Regarding registering the actual selling price of actual-price

registration 2.0 approved on Dec 30th, 2020, the prepaid houses, the same as existing houses, are requested to be registered in the actual selling price of the real estate system 30 days after signing the contract. With this, investors will not be interested in buying, but self-occupation customers will be the target customers of the housing market in 2021.

2. Audit Committee's Inspection Report on the 2020 Final Accounts

Explanation:

1. The Company's 2020 final accounting report and parent Company only

and consolidated financial statements have been audited by certified

accountants Chen, Kuang-Hui and Yao, Yu-Lin of Shine Wing Taiwan.

The annual business report and loss make-up proposal have also been

verified and an inspection report has been issued by the Audit Committee.

2. The Audit Committee convener reads the inspection report.

Audit Committee's inspection Report

The Board of Directors delivered the Company's 2020 business report,

financial statements (including consolidated and parent company statements) and loss make-up proposal to our accounting firm. Among the documents,

the financial statements have been audited by Shine Wing Taiwan and an

audit report has been issued accordingly. The Committee has completed the

verification of the above-mentioned 2020 business report, financial

statements (including consolidated and parent company statements) and loss

make-up proposal, and is of the opinion that there were no discrepancies contained therein. A statement is therefore announced as above in

accordance with the provisions of Article 14-4 of the Securities Exchange Act

and Article 219 of the Company Law for your review and verification.

To 2021 General Shareholders' Meeting of Delpha Construction Co., Ltd.

Audit Committee Convener: Wang, Mu-Fan

IV. Matters for Recognition:

A. Adoption of the 2020 Business Report and Financial Statements.

(proposed by the Board of Directors)

Explanation:

The Company's 2020 final accounting report, and parent company and consolidated financial statements have been audited by certified accountants Chen, Kuang-Hui and Yao, Yu-Lin of Shine Wing Taiwan. The Audit Committee has also verified annual business report and Loss make-up proposal, and is of the opinion that there were no discrepancies contained therein. For your adoption.

Resolution:

Independent Auditors' Report

Delpha Construction Co., Ltd.

Opinion

We have audited the accompanying parent company only balance sheets of Delpha Construction Co., Ltd. (the "Company") as of December 31, 2020 and 2019, and the related parent company only financial statements of comprehensive income, changes in equity and cash flows for the years then ended and the notes to the parent company only financial statements, including a summary of significant accounting policies.

In our opinion, based on our audits, the accompanying parent company only financial statements present fairly, in all material respects, the parent company only financial position of the Company as of December 31, 2020 and 2019, and its parent company only financial performance and its parent company only cash flows for the years then ended, in accordance with the "Regulations Governing the Preparations of Financial Reports by Securities Issuers".

Basis for opinion

We conducted our audits in accordance with the "Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants" and generally accepted auditing standards in the Republic of China. Our responsibilities under those standards are further described in the **Independent auditor's responsibilities for the audit of the parent company only financial statements** section of our report. We are independent of the Company in accordance with the Code of Professional Ethics for Certificate Public Accountants in the Republic of China (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with this Code. Based on our audits, we believe that our audits provide a reasonable basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the parent company only financial statements for the year ended December 31, 2020. These matters were addressed in the context of our audit of the parent company only financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters. We determined the key audit matters should be communicated in our audit report are as follows:

Evaluation of inventories

Please refer to Note 4(12) to the parent company only financial statements for the accounting policies of evaluation of inventories; refer to Note 5(2) to the parent company only financial statements for the accounting estimates and assumptions of the evaluation of inventories; and please refer to Note 6(6) to the parent company only financial statements for the details description of inventories account.

The inventory is an important asset of the Company's operation, which accounts for 64% of the total Company's assets. The accounting treatment for inventory evaluation is in accordance with the International Accounting Standard 2 "Inventories". The financial statements will not present fairly if the assessment of net unrealized value of inventories is inappropriate. Therefore, we considered the evaluation of inventories as one of the key audit matters for the year.

Our audit procedures included, but not limited to, by referencing to the total transaction price registered in the Ministry of the Interior's real estate transaction database, the average selling price converted into the net realized value of the lands and buildings for sale to assess whether there is a significant difference. And to obtain the valuation report issued by the appraiser or by referencing to the present value of land announced by the Ministry of the Interior to assess whether there is a significant difference between the construction land and the construction in progress;

and for the valuation report issued by the appraiser, to assess the rationality of the basic assumptions and expert qualifications such as the percentage of factor adjustment, the direct and indirect costs of the development period, the integrated capital interest rates, etc.

Responsibilities of management and those charged with governance for the parent company only financial statements

Management is responsible for the preparation and fair presentation of the parent financial statements in accordance with the "Regulations Governing the Preparations of Financial Reports by Securities Issuers", and for such internal control as management determines is necessary to enable the preparation of parent company only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent company only financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charges with governance, including members of the Audit Committee are responsible for overseeing the Company's financial reporting process.

Independent auditor's responsibilities for the audit of the parent company only financial statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with the generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with the generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the parent company only parent financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for the one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- 2. Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal controls.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the footnote disclosures, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentations.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the Company's investee companies accounted for under equity method to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision and performance of audit of the Company's investee companies. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationship and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the parent company only financial statements for the year ended December 31, 2020 and are therefore the key audit matters. We describe these matters in our report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Delpha Construction Co., Ltd. and Subsidiaries Letter of Representation

For the year ended December 31, 2020 (from January 1, 2020 to December 31, 2020), pursuant to "Criteria Governing the Preparation of Affiliation Reports, Consolidated Business Reports and Consolidated Financial Statements of Affiliated Enterprises", the entities that are required to be included in the consolidated financial statements of affiliates, are the same entities required to be included in the consolidated financial statements prepared in conformity with the International Financial Reporting Standards No. 10, "Consolidated Financial Statements". In addition, the information required to be disclosed in the consolidated financial statements of affiliates is included in the aforementioned consolidated financial statements. Accordingly, it is not required to prepare a separate set of consolidated financial statements of affiliates.

Very truly yours,

Delpha Construction Co., Ltd.

Cheng, Ssu-Tsung

Chairman

March 30, 2021

Independent Auditors' Report

Delpha Construction Co., Ltd.

Opinion

We have audited the accompanying consolidated balance sheets of Delpha Construction Co., Ltd. (the "Company") and its subsidiaries (collectively referred as the "Group") as of December 31, 2020 and 2019, and the related consolidated statements of comprehensive income, changes in equity and cash flows for the years ended December 31, 2020 and 2019, and the notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, based on our audits, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2020 and 2019, and its consolidated financial performance and its consolidated cash flows for the years then ended, in accordance with the "Regulations Governing the Preparations of Financial Reports by Securities Issuers" and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations as endorsed by the Financial Supervisory Commission.

Basis for opinion

We conducted our audits in accordance with the "Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants" and generally accepted auditing standards in the Republic of China. Our responsibilities under those standards are further described in the **Independent auditors' responsibilities for the audit of the consolidated financial statements** section of our report. We are independent of the Group in accordance with the Code of professional Ethics for Certificate Public Accountants in the Republic of China (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with this Code. Based on our audits, we believe that our audits provide a reasonable basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2020. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters. We determined the key audit matters should be communicated in our audit report are as follows:

Evaluation of inventories

Please refer to Note 4(13) to the consolidated financial statements for the accounting policies of evaluation of inventories; refer to Note 5(2) to the consolidated financial statements for the accounting estimates and assumptions of the evaluation of inventories; and please refer to Note 6(6) to the consolidated financial statements for the details description of inventories accounts.

The inventory is an important asset of the Group's operation, which accounts for 71% of the total Group's assets. The accounting treatment for inventory evaluation is in accordance with the International Accounting Standard 2 "Inventories". The financial statements will not present fairly if the assessment of net unrealized value of inventories are inappropriate. Therefore, we considered the evaluation of inventories as one of the key audit matters for the year.

Our audit procedures included, but are not limited to, by referencing to the total transaction price registered in the Ministry of the Interior's real estate transaction database, the average selling price converted into the net realized value of the lands and buildings for sale to assess whether there is a significant difference. And to obtain the valuation report issued by the appraiser or by referencing to the present value of land announced by the Ministry of the Interior to assess whether there is a significant difference between the construction land and the construction in progress; and for the valuation report issued by the appraiser, to assess the

rationality of the basic assumptions and expert qualifications such as the percentage of factor adjustment, the direct and indirect costs of the development period, the integrated capital interest rates etc.

Other matters

We have audited the parent only financial statements of Delpha Construction Co., Ltd. for the year ended December 31, 2020 and 2019 on which we have issued an unqualified opinion.

Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the "Regulations Governing the Preparations of Financial Reports by Securities Issuers" and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations as endorsed by the Financial Supervisory Commission, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charges with governance, including members of the Audit Committee, are responsible for overseeing the Group's financial reporting process.

Independent auditors' responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with the generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risks of not detecting a material misstatement resulting from fraud is higher than for the one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- 2. Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal controls.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the footnote disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentations.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the Group's investee companies accounted for under equity method to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of audit of the Group's investee companies. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationship and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2020 and are therefore the key audit matters. We describe these matters in our report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Chen, Kuang-Hui Yao, Yu-Lin

For and on behalf of ShineWing CPAs March 30, 2021 Taipei, Taiwan Republic of China

Notice to Readers

The accompanying consolidated financial statements are not intended to present the financial position, results of financial operations and cash flows in accordance with accounting principles and practice generally accepted in countries and jurisdictions other than the Republic of China. The standard, procedures and practices in the Republic of China governing the audit of such financial statements may differ from those generally accepted in countries and jurisdictions other than the Republic of China. Accordingly, the accompanying consolidated financial statements and independent auditors' report are not intended for use by those who are not informed about the accounting principles or auditing standards generally accepted in the Republic of China, and their applications in practice.

Resolution:

3. Propose to conduct the private placement of ordinary shares (Proposed by the Board of Directors)

Explanation

- 1 · For increasing workting capital, repaying the bank loans and supporting multi projects of long-term development, the Board of Directors proposes to conduct a private placement of common shares issued up to 200,000 thousand shares with par value of NT\$ 10 on the basis of Article 43-6 of Securities and Exchange Act. Up to the capital market investment condition, the Board of Directors shall be authorized to process once to three closings within a year from the date of the resolution of shareholders meeting.
- 2 · The explanations of private placement according to Article 43-6 of the Securities and Exchange Act are as below:
 - (1) Pricing basis of private placement and its resonableness

- A. The suscription price for common shares of this private placement shall be no less than 80% of the reference price. The reference price is according to the higher price following the below two calculations.
 - I. The simple arithmetic average of the closing price of the common shares of the Company for either the first, third, or fifth business day immediately prior to the price determination date, after adjustment for any distribution of stock dividends, cash dividends or capital reduction.
 - II. The simple arithmetic average of the closing price of the common shares of the Company 30 business days proior to the price determination date, after adjustment of stock dividends, cash dividends, or capital reduction.
- B. Under the principles as previously stated and according to Article 43-6 of the Securities and Exchange Act and Directives for Public Companies Conducting Private Placements of Securities, the actual date of the price determination and price setting are proposed to authorize the Board of Directors to determine depending on the status of specific persons contacted and market confitions in the future.
- C. The actual price setting per share of the privately placed will refer to the Company's operating performance, future development, non-resale in three years after delivery, and current share value, the price setting shall be reasonable under the Directives for Public Companies Conducting Private Placements of Securities and current regulations. If the price per share might possibly be lower than the par value of the shares, which possibly causes capital reduction or an increase in accumulated loss, the Company will compensate according to future operation performance and set a price per share according to the regulations of the government supervisory agency. It shall have no effect on the shareholders' equity.
- (2) The method for selecting the specific persons:
 - A. The places for private placement shall meet the qualifications for special persons listed in Article 43-6 of the Securities and Exchange Act and the Explanation (91)Tai Cai Zheng Yi No. 0910003455 in June 13th, 2002 by the Financial Supervisory Commission about the regulation of the specific persons. The related background information check is proposed to be reviewed by the Board of Directors.
 - B. The specific persons list, method to decide, the purpose and their relationship with the Company

The Placees of the private placement are restricted to specific persons following Article 43-6 of the Securities and Exchange Act. The Placees are not confirmed so far, but it will be better if the placees are internal or related parties that have a certain understanding of the operation system of the Company. Such persons can invest

requested capitals in a short time to make the private placement more successful and support necessary capitals to strengthen the business system and competence. Thus, the reference list of the placees that are internal or related parties (include details of the relationship between them and the Company) is as below:

Placee	Relationship	
Yan, Ming-Hung	Director	
Tseng, Ping-Joung	Director	
Yeh, Chien-Wei	Independent Director	
Wang, Mu-Fan	Independent Director	
Wu,Yu-Guo	Manager	
Guo, Ming-Zhen	Spouse of the manager	
Lee, Jun-Xian	Manager	
Wang, Chen Kang	Manager	
Chien, Lin-Chin	Manager	
Sing-Suei, Wu	Manager	
Chia Chun Investment Co., Ltd.	Majority shareholder	
Hong Yi Investment Co., Ltd	Related party	
Da Shuo Investment Co., Ltd.	Related party	

II. The placees are juristic persons; name top 10 shareholders of the corporation and their relationship with the Company

The placees belong to a corporation	Major shareholder's name and their holding ratio		Relationship
Chia Chun Investment Co.,	Lin, Yi-Zhan	96%	Immediate family of substantive beneficial ownership
Ltd.	Lin, Chia-Hung	1%	Substantive related party
	Lin, Qi-Bai	1%	N.A
	Bai, Shu-Zhen	1%	N.A
	Peng, Shu-Ying	1%	N.A
Hong Yi Investment Co., Ltd.	Cheng, Ssu- Tsung	100%	Chairman
Da Shuo Investment Co.,	Su, Pei-Dei	85.84%	Immediate family of the director of the representative of the juristic person

Lin, Yuan Yi	3.88%	Second degree relative of the director or the representative of the juristic person
Lin, Heng Yi	3.88%	Second degree relative of the director or the representative of the juristic person
Lin, Wen-Liang	1.00%	Immediate family of the director or the representative of the juristic person
Lin, Wei Pang	0.32%	Third degree relative of the director or the representative of the juristic person
LIN, Po-Fong	0.32%	Third degree relative of the director or the representative of the juristic person
Lin, Hsing Hsiung	0.32%	Third degree relative of the director or the representative of the juristic person
Lin, Zhao Xiang	0.32%	Third degree relative of the director or the representative of the juristic person
Lu, Ruan Miao	0.24%	N.A.

(3) The necessity of the Private Placement:

A. The reason for not using public offering:

The Company evaluates the factors related to the efficiency of capital collection, convenience, cost and stable shareholders' structure; and decides to issue common shares by placing privately.

B. The quota of private placement:

Issuing common shares up to 200,000 thousand shares by private placement, and shall be conduct once to three closings within a year after being approved by the shareholders meeting.

C. The capital usage and the expectation of the benefits by private placement:

Times	Shares	Usage	Benefits
First	70,000 thousand shares	To increase working capital, repay bank loans	Have more methods and flexibility in

Second	70,000 thousand shares	and support multi projects in long term development	collecting capitals and to strengthen the financial
Third	60,000 thousand shares		structure, and lower the capital cost. By this, it can enlarge the operation scale and enhance competence to improve shareholders' equity

Regarding the amounts of shares from one to three times, it depends on individual closings, and may collect unissued shares previously and/or combine the following shares to be issued partially or all at once. The total amount to be issued shall be up to 200,000 thousand shares.

- (4) Significant change on managerial control within the previous year from the resolution of the Board of Directors of private placement to the private placement of securities issued within a year:
 - Due to the by-election of directors in the shareholders meeting on June 23rd, 2020, the directors were changed up to ½ ratio. It caused a significant change in managerial control within a year before the resolution of the Board of Directors on private placements. Thus, the Company shall engage a securities underwriter to provide an assessment opinion on the necessity and reasonableness for conducting the private placement (refer to page #)
- 3 · The rights and obligations of these new common shares privatly placed are the same as outstanding common shares in principle. However, according to the regulation of the Securities and Exchange Act, the shares of the private placement have a condition of non-resale within three years upon delivery except for certain circumstances stated in Article 43-8 of the Securities and Exchange Act. After three years upon the private placement of shares delivery, the Company authorizes the Board of Directors to apply for the shares qualified approval by TWSE for the public offering depending on the operating performance at that time. Meanwhile, the Company will declare to the Financial Supervisory Commission to trade in the public offering.
- 4 · To conduct the private placement, it is proposed that the Chairman be fully authorized to represent the Company to sign and discuss contracts and documents regarding this private placement, and handle all matters related to the issue.

5 · To conduct the private placement (including actual price, actual price determined date, shares to issue each closing, capital collecting amount, issued terms, projects, possible benefits and related matters; except the ratio of price setting on the basis of the reference price), it is proposed that the Board of Directors be authorized to adjust and handle the private placement on the basis of the market situation under the principle and tolerance of the explanation of the private placement. Besides, in the future, if there will be any change in regulation, request by government authorities or adjustment from the objective point of view of the housing market, it is proposed that the Board of Directors be authorized to handle following related regulations in full authority.

Delpha Construction Co., Ltd.

An assessment opinion on the necessity and reasonableness for conducting the private placement

Client: Delpha Construction Co., Ltd

Receiver: Delpha Construction Co., Ltd

Purpose: For Delpha Construction Co., Ltd only

For conducting the private placement of common shares in 2021

Report type: an assessment opinion on the necessity and reasonableness

Assessed by Grand Future Security

Date: 2021/04/07

Delpha Construction Co., Ltd An Assessment Opinion on the Necessity and Reasonableness of Conducting Private Placement of Ordinary Shares for 2021

1. Introduction:

Delpha Construction Co., Ltd (the Company) proposes a private placement of common shares (the Private Placement) in 2021 on the basis of Article 43-6 of the Securities and Exchange Act. The Company proposes to conduct the Private Placement of up to 200,000 thousand shares after the resolution of the Board on April 15th, 2021. The discussion includes the placees list, the method, the purposes, necessity and expectations, etc. The Private Placement is expected to be conducted in 1-3 closings within a year after the resolution of the regular shareholders meeting on June 23rd, 2021.

According to the Directives for Public Companies Conducting Private Placements of Securities, if there is a significant change in managerial control within the 1 year period immediately preceding the day on which the Board of Directors resolves the matter on private placement, or if there will be a significant change in managerial control after the introduction of a strategic investor through private placement, the company shall engage a securities underwriter to provide an assessment opinion on the necessity and reasonableness for conducting the private placement, and shall state the opinion in the notice to convene the shareholders' meeting to serve as a reference for the shareholders to decide whether to agree. The Company announced the election of the overall directors on June 23rd, 2020 on MOPS and had a significant change in managerial control after the election. Therefore, the Company asked Grand Future Security to provide an assessment opinion.

2. Underwriter's assessment opinion

2.1 Legitimacy assessment

The Company has a loss NT\$ 95,688,000 after tax on auditing and certification of financial statements by a CPA. Therefore, the Company has no restriction on conducting a private placement of securities according to Article 3 of the Directives for Public Companies Conducting Private Placements of Securities. Further, the Company's private placement price per share will not be lower than 80% of the reference price by the resolution of the Board on April 15th, 2021. The placees are specific persons on the basis of Article 43-6 of the Securities and Exchange Act and the Directives for Public Companies Conducting Private Placements of Securities. The related background information of the placees will be disclosed on the shareholders' meeting notice. After the assessment, the Private Placement shall be legal.

2.2 A brief summary regarding the Company and its financial situation

1

2.2.1 The Company Summary

Delpha Construction Co., Ltd was established in Dec 28th, 1950. The paid-in capital is NT\$ 5,207,524,660 on the date of the assessment opinion. The Company is in the real estate development industry, mainly commissions construction suppliers to build business buildings for rent or sale, and commissions construction suppliers to build public housing to rent or sell. To fulfill the customers' needs, Delpha's products are mainly smart offices and houses.

3. The assessment opinion on the necessity and reasonableness of conducting private placement

3.1 The Assessment on Necessity

According to the information on MOPS, the Company announced the overall directors' election on June 23rd, 2020, and director's replacement ratio up to 6/7. It shows a significant change in managerial control. In the past, the projects were mainly in Taipei City. The new operation team, that is in the construction industry for years, proactively plans on purchasing lands and promoting projects. The new operation team has obtained a number of lands in Taoyuan and Taichung successively to expand the operation scale of the Company.

The real estate development industry is a highly capital-intensive industry that involves long term construction. Companies need to invest a huge amount of capital on each stage from purchasing land to property completion. The consumers only need to prepare 10% of the price upon signing the contract, and the rest is not paid until bank loans are released for property completion. The liquid capital is requested for the necessary preparation activities. The Company needs a huge amount of capital to support projects at hand, and promote future projects, and for the operation costs as well. To avoid high interest costs to affect the profits and enhance competitiveness, capital is required for multiple aspects such as operation running, debt redemption, and long-term development. Considering the request of capitals in a short time compared to last time, the operating results and performance are not yet obviously improved. If conducting capital increases on the public market, the external shareholders may be not interested in, and the Company faces difficulties and uncertainty on capital gaining in a short time. To have a flexible strategy on collecting capitals, the board meeting approves the private placement of ordinary shares to stable long-term capital and financial flexibility. Above all, evaluating the time efficiency, the cost of releasing shares, and financial and operating situation of the Company, the Private Placement is found to be of necessity.

3.2 The Assessment on Reasonableness

The security underwriters evaluate the reasonableness in three aspects

3.2.1 Reasonableness on the procedure of the Private Placement

From checking the proposal of the board meeting that includes the discussion, the price setting, the method and objectives of selecting placees, the procedure follows the Security and Exchange Act and related regulations. It shows no significant material irregularities.

3.2.2 Reasonableness on the securities type of the Private Placement

The Company conducts the Private Placement to increase capital by releasing ordinary shares, which are the common securities on the market and are acceptable by investors. Therefore, the security of the Private Placement is found to be reasonable.

3.2.3 Reasonableness on the expectation of the benefit of the Private Placement

Capital is required for multiple aspects such as operation running, debt redemption, and long-term development. It expects to collect capitals flexibly and strengthen the financial structure, lower capital cost, to improve the operation scale in the future, and enhance competence to increase shareholders' equity. Private Placements shall have positive benefits and is therefore found to be reasonable.

Overall, the procedure, the securities type, the purpose and benefits of the capital are reasonable.

3.3. The Assessment on the Options and Possibility of the Placees

3.3.1 The selection of the placees

According to the proposal on the board meeting, April 15th, 2021, the placees are matched specific persons as according to Article 43-6 of the Securities and Exchange Act and the Explanation (91) Tai Cai Zheng Yi No. 0910003455 on June 13th, 2002. The related background and qualification of specific persons will be proposed that the board be authorized to evaluate. Specific persons shall understand the Company's operation maturely that can support asking capital successfully in a short time to strengthen the operating performance and competitiveness. The Company looks for inside and related parties to be the placees. The placees will be determined following the related regulations. Hence, the selection of the placees shall be appropriate.

3.3.2 The possibility and necessity

The Company had a loss in the recent two years, and it considers the time to ask for a capital increase to be almost the same as last time. Because the operating performance and outcomes are not satisfied in the short term, the external shareholders shall not be interested in investing. To assure the efficiency and certainty of collecting returns, it is necessary that the Company contact the placees. In addition, according to the proposal of the Board, the placees are inside or related parties, who have a long-term cooperative relationship with the Company. In conclusion, the contacts for the placees of the Private Placement shall be possible and necessary.

4. The Influence on Sales, Finance, and Shareholder's Equity

4.1 The Influence on Sales

The Company collects capitals through the Private Placement for improving the running capitals, paying the bank loans, and supporting multiple projects for long-term development. The Company plans to offer more options and flexibility on collecting capitals and strengthen the Company's financial structure, lower capital costs. To enhance the future operation scale and long-term competence, the Private Placement shall have positive benefits on Sales.

4.2 The Influence on Finance

The Company proposes to issue ordinary shares of up to 120,000,000 shares. If all shares are sold out on the determined price, according to the reference price, which is the higher price between the average shares value on one of the previous 1, 3, 5 business days before the board meeting on April 15th, 2021, or average share value (after adjustment for any distribution of stock dividends, cash dividends, or capital reduction) 30 business days before the price determined date and no less than 80% of reference price, the Private Placement can improve the running capital, repay the bank loans, and support multiple projects for long-term development. Therefore, it can improve the financial structure, save interest costs and enhance operational efficiency. It shall have positive benefits on finance.

4.3 The Influence on Shareholder's Equity

The Company proposes to issue ordinary shares of up to 200,000 thousand shares through the Private Placement and the determined price will not be less than 20% of the reference price. All shares issued are for improving the running capitals, repaying the bank loans, and supporting multiple projects for long-term development to enlarge the future operation scale and improve long-term competence. The Private Placement of security is restricted to free transfer in three years to ensure the long-term cooperative relationship between the Company and the Placees. Therefore, the shareholders' equity shall provide a positive benefit on shareholder's equity.

5. Conclusion

In conclusion, the Private Placement is for running operating capitals, repaying bank debt, or supporting multiple projects for long-term development. It offers more methods and flexibility for collecting capitals and strengthening the financial structure, lowering capital costs, enlarging future operation scales, and enhancing long-term competence. Considering the situation and the possibility of collecting capitals, the Private Placement on ordinary shares issued is necessary and reasonable. In addition, the Underwriter of Securities evaluates the proposals of the Board, and it shows no significant violation against legitimacy on the content and procedure. However, the Private Placement brings benefits, options of the placees, and

influence on sales, finance, and shareholders' equity, and is found to be necessary and reasonable.

Appendix 2

Delpha Construction Co., Ltd.

Rules of Procedure of Shareholders' Meeting

Revised on June 21, 2002

- Article 1: Except as otherwise provided in the laws and regulations, the procedure of the shareholders' meetings of Delpha Construction Co., Ld. (hereinafter referred to as the Company) shall be handled in accordance with these Rules.
- Article 2: The attending shareholders and proxies shall sign in personally or submit the attendance card for the purpose of calculating the number of shares represented by the attending shareholders and proxies.
- Article 3: When the attending shareholders represent a majority of the total number of issued shares, the Chairman shall call the meeting to order. If at the meeting time the number of attending shareholders and proxies does not reach the quorum, the Chairman may announce a postponement of the meeting, provided that length of the postponement is no more than 1 hour. If the quorum is still not met after two postponements, but the attending shareholders and proxies represent one third or more of the total number of issued shares, a tentative resolution may be made with the consent of the attending shareholders and proxies representing more than half of the voting rights pursuant to Article 175 of the Company Law. All the shareholders shall be notified of the tentative resolution, and the shareholders' meeting shall be re-convened within a month.
- Article 4: If the quorum is met after a tentative resolution is made in the shareholders' meeting, the Chairman may call the meeting to order at any time and submit the tentative resolution that has been made to the shareholders' meeting for recognition.
- Article 5: If a shareholders' meeting is convened by the Board of Directors, the meeting agenda shall be set by the Board of Directors. The meeting shall proceed in the order as set in the agenda, which may not be changed without a resolution of the shareholders' meeting.

The provisions of the preceding paragraph apply mutatis mutandis to a shareholders' meeting convened by a party with the power to convene that is not the Board of Directors.

Unless there is a resolution of the shareholders' meeting, the Chairman may not declare the meeting adjourned prior to completion of deliberation on the meeting agenda (including exteporary motions).

After the meeting is adjourned, the shareholders shall not elect another chairman to continue the meeting at the original site or another place. However, if the Chairman's declaration of the meeting adjournment violates of the Rules of Procedure, a new chairman may be elected by the attending shareholders with more than half of the voting rights to continue the meeting.

Article 6: Before speaking, an attending shareholder must write down on a speaker's slip the subject of the speech, the shareholder's account number (or attendance pass number) and the account name. The order in which the shareholders speak shall be set by the Chairman. An attending shareholder who has submitted a speaker's slip but does not speak shall be deemed to have not spoken. When the content of the speech does not correspond to the subject given on the speaker's slip, the spoken content shall prevail. At the time a shareholder speaks, the other

- shareholders shall not speak and interfere except with the consent of the Chairman and the speaking shareholder, otherwise the Chairman shall stop such interfering behavior.
- Article 7: The shareholder's speech is limited to five minutes at a time; however, with the permission of the Chairman, it may be extended by five minutes, with a limit of one extension.
- Article 8: A shareholder may not speak for more than twice on the same motion. The Chairman may terminate the speech if a shareholder's speech exceeds the time limit or the scope of the agenda.
- Article 9: During the discussion of the motion, the Chairman may, at the appropriate time, announce the conclusion of the discussion after obtaining the consent of the attending shareholders. If necessary, the Chairman may declare a termination of the discussion and submit the motion for voting. Non-motions shall not be discussed or voted on.
- Article 10: Except as otherwise provided in the Company Law or in the Articles of Association, a motion is passed with the consent of the attending shareholders with more than half of the voting rights. At the time of voting, a motion is passed if the Chairman does not receive any negative response to his/her inquiry, and this verbal voting has the same validity as physical votes.
- Article 11: During the course of a meeting, the Chairman may announce a break based on time considerations. If the discussion of all the motions can not be completed in a single meeting, a resolution may be adopted at the shareholders' meeting to defer or resume the meeting within 5 days without any further notices or announcements.
- Article 12: In the event of an air raid warning during the meeting, the Chairman may rule the meeting temporarily suspended for evacuation. The Chairman shall announce a resumption of the meeting one hour after the lifting of the warning.
- Article 13: Where a legal person is entrusted to attend a shareholders' meeting, the legal person shall appoint only one representative to attend. Where a legal-person shareholder appoints two or more representatives to attend a shareholders' meeting, only one of the representatives may speak on the same motion.
- Article 14: When there are incompatible amendments or alternatives to a motion, the Chairman shall decide the order in which they shall be put to a vote. When any of them is passed, the other incompatible motions shall then be deemed rejected and no further voting shall be required.
- Article 15: The Chairman may direct the proctors (or security personnel) to help maintain the order at the meeting. Such proctors (or security personnel) shall wear an identification card or armband bearing the word "Proctor".

 Shareholders shall obey the command of the Chairman and proctors (or security personnel) for the maintenance of order. The Chairman and proctors (or security personnel) may expel those who hinder the proceeding of the shareholders' meeting.
- Article 16: The attendance and voting at the shareholders' meeting shall be based on the number of shares represented by the attending shareholders.
- Article 17: The venue of the shareholders' meeting shall be the county or city where the head office of the Company is located or a place convenient for the shareholders' attendance and suitable for holding the shareholders' meeting. The meeting start time shall not be earlier than 9:00 am or later than 3:00 pm.
- Article 18: Unless as otherwise provided in the Company Law, the meeting shall be chaired by the Chairman of the Board. If the Chairman of the Board is on leave or for any reason unable to exercise the powers of a chairman, the Deputy Chairman shall act in the place of the chairman. If there is no Deputy Chairman in place or the Deputy Chairman is also on leave or for any reason unable to exercise the powers of a chairman, the Chairman shall appoint one of the

Managing Directors to act as the chairman for the meeting. If there are no Managing Directors in place, the Chairman shall appoint one of the Directors to act as the chairman for the meeting. If the Chairman does not make such an appointment, then the chairman for the meeting shall be elected among the Managing Directors or Directors. If the shareholders' meeting is convened by a party other than the Board of Directors, the convening party shall be the chairman of the meeting.

- Article 19: The Company may appoint its lawyer, accountant or related persons to attend the shareholders' meeting in a non-voting capacity. The meeting affair staff of the shareholders' meeting shall wear an identity card or an armband.
- Article 20: The Company shall audio-record or video-record the whole process of the shareholders' meeting and shall keep the recording for at least one year.
- Article 21: After an attending shareholder has spoken, the Chairman may either respond in person or appoint a relevant person to respond.
- Article 22: The motion-voting scrutineers and vote-counting personnel shall be designated by the Chairman and approved by the attending shareholders, but the scrutineers shall also be shareholders themselves. The results of the voting shall be announced on the spot and recorded accordingly.
- Article 23: The Rules are established in accordance with the "Key Points for Rules of Procedure for Listed Companies' Shareholders' Meetings", and implemented after the adoption of the resolution in the shareholders' meeting. The same procedure applies to the amendments to the Rules.
